Group News

Membership

It was a hectic time at the enrolment day, which unfortunately I couldn't attend. Paul and Cynthia, who kindly stepped in for me, were very busy and hardly had time to sign up for the groups they wanted. I hope you are all enjoying the courses you've signed up to especially our new members.

Members are still signing up and if you know of anyone who would be interested in u3a please direct them to our website at <https://streetu3a.org> where they can see all what is available - The online Membership form is at:

https://streetu3a.org/membership23_24

It's been busy the last two or three months for me and thank you all for being patient with me as I found my feet as the new Membership secretary – you can contact me on members@streetu3a.org

I've managed to resolve most queries but may I remind you that even if you are rejoining you must fill in a membership form – it's a bit of a bind finding where a BACs payment come from without a form! There are a few non payers that I'm chasing up. If you enrol on line, you should receive two emails, one from info@streetu3a.org that is automatically generated once you have sent the form. Please look in your spam folder if it doesn't appear in your main inbox. A couple days later from me, members@streetu3a.org, reminding you of the ways to pay your subs and giving your Membership number if you're new.

We now have 411 members on our database which includes 45 new people please make them welcome at your sessions.
